PRINCIPAL'S MESSAGE

To the Class of 1989

The calvacade of events which are taking place during your senior year are both exciting and prophetic in nature. A presidential election year is a time of a restatement of values, a time of reassessment, a time of looking ahead to the future, a time for you as an individual to look ahead and begin to seek our your place in the world.

The impact of international events reveal the shrinking nature of our world and force global concerns into our consciousness. The need for energy, the need for a safe atmosphere and environment, the need to assist third world nations, the need to work toward disarmament, the need to continue to investigate the nature of our physical world and the need to begin to view our world as one large family sharing the many concerns with others. You as a citizen must be aware of your world, the forces that drive society, that enhance culture, and be aware of the political solutions and approaches to the many problems. This is not an easy task. The many forces and events swirling around you will, however, affect the conditions under which you will live.

Be curious, ask for good answers, be kind to your fellow man and strive for self reliance. We at Wakefield High School wish you all a happy, challenging, secure and successful future!

Raymond U. Osborne Principal

In memory . . .

Shon DeSilva was a member of our class who was special in that he was always willing to lend a hand to anyone who needed it. His loving personality and strong faith made working with his friends and especially his aide, Ms. Blois, a meaningful experience. Shon endured so much but always managed to keep a smile on his face. He never let his handicap interfere with the joy he took in living.

His short life represented to us the many qualities that are important in human existence. We shall remember Shon's optimism, his sense of humor, his understanding of the pain his parents felt as they saw his suffering.

Most of all, we shall remember his courage as day by day he struggled to survive. He had the determination to live life to its fullest. Shon's life was a meaningful testimony that showed us that living the best way you can, for the best things in life, is the most important thing anyone can do.

Shon DeSilva November 3, 1970-April 7, 1984

All the pain you endured never dampened your outlook on life. You always had a smile and a joke for everyone. Your trusting eyes emitted an aura of love and happiness that could brighten

Your life was a battle that you struggled through and won so many times. For if it had not been for your strong will to live and love of life, we would have lost you long before we did.

When we remember all your work with the soccer team, and all the time you spent caring for others, we can only feel sorrow wash over us as we realize the great teacher we lost. You are the meaning of courage and love. You are a person we shall never forget. Your memory lives on after you in our thoughts, in our hearts, and through the Chris Stout Scholarship fund.

This fund is denoted to recognize perseverance, courage, determination, and a love for life. It is a fitting tribute to a person with such a big heart.

Dedication . . .

Mr. Kevin Kilfoyle

We, the Class of '89, dedicate our yearbook to you, Mr. Kevin Kilfoyle. We are the luckiest class to ever enter Wakefield High because we were fortunate enough to have you for our class advisor and our friend. You have done so much for us over the past four years. By helping us realize our full potential, we were able to raise money through fundraisers and make our proms and other class activities unbelievably successful.

There was never a dull moment when you were around. You have a special teaching quality that makes learning both fun and meaningful. Many turned to you for help, both private and educational, and you were always there to lend a hand and help out in any way you possibly could.

Your humorous anecdotes would always bring a smile to our faces and make every day seem a little bit brighter. "No pressure," was your motto, and that is exactly how you handled difficult situations: slow, precise, and with knowing expertise. You managed to get us out of all the tough spots we ended up in.

The Class of 1989 would like to thank you, Mr. Kilfoyle, for everything you have done to make our class so successful. To sum it all up, we would just like to say: Killer, you're the best. Good luck to you and your family in your new job. We miss you!

Special Recognition

Mr. Scott Lang

Mr. Lang, the class of 1989 would like to thank you for all you've done for us. You've inspired us to learn by encouraging us to think for ourselves and to express our own ideas. Your unique teaching style has made English both interesting and fun. Most of all, we would like to thank you for being the wonderful, caring person that you are.

We would also like to give our best wishes to you and your family in your new home. We miss you Scooter!!

Mrs. Carol Ferrazano

The class of 1989 would like to thank you. Mrs. Ferrazano, for not only being an outstanding English and drama teacher, but also a friend. Your caring ways and cheerful smile have brightened the worst of days. You have inspired us to give life our all and to never give up. You have taught us that if we follow our dreams, anything's possible. We can never repay you for all you've done. Thanks, Ms. Fez., we will never forget you!!

Special Recognition

Ms. Arlene Glenn

We would like to thank you for being both a wonderful teacher and a special friend. You are always ready to lend a hand to anyone who needs it. The memories we have of you and the infamous "Green Machine" will remain with us long after we graduate. Your sense of humor and loving personality made our classes both educational and fun. Even those not fortunate enough to have you for a teacher were touched by your warm smile and friendly hello. You put up with so much, even though we did sometimes drive you "banana wacky"!

Ms. Kimberly Smith

The Class of 1989 recognizes that you are not just an outstanding music teacher, but a special friend to all. Your superior teaching and guidance has given students the motivation to succeed in whatever they choose to do after high school. You are a highly-regarded human being and the knowledge that we have received from you will stay with us for life. A special spot in the hearts of all your students is set aside to remember your dedication, support, and understanding that you have given to us. Thank you, Miss Smith, you are an exceptional person; one that we will never forgot.

Throughout the course of the year, we proved that three heads really are better than one. We now present to the class of '89 this yearbook; the product of our hard work, laughter, tears, love, hate and dedication.

The Oracle staff would like to thank the following individuals for being so nifty!

Mrs. Beherrell—for pretending that we really did know what we were doing and she was just reminding us. We would also like to thank her for being able to keep calm in all situations, for her ability to give advice like "Dear Abby", and most of all for having the patience of GOD!

Tom Keeley—A.K.A. "Tom Jostens"—for managing to keep himself from killing us when we were late for our deadlines (provided we didn't give him any coffee!)

Joe Flora—for taking all of those great pictures when we had "photographer trouble"

"Jimmy A.", Jerry Bourque, and the rest of the custodial staff—for tolerating our presence late at night, and for letting us into the room when we lockd our keys inside!

You've Got A Fast Car

Driving:

Think of the possibilities once you get your license... In three days you could be in Florida. But more realistically speaking, there are so many advantages: no more rainy, snowy bus stops, and no more praying someone will drive by when you still have three more miles to walk. The harsh reality that getting your license is not the cure-all of boredom that you thought it was. But still there is the cruising the strip, going away on weekends with friends, and the possibility that a good time exists, somewhere.

Friends.

Okay, like, Friends are like, the coolest thing about school. Okay, well, like, if you have them, okay? It's kind of like, you know, like, when you're with your boy-friend and, well, never mind. But like, no, when you're with your friends like, you can do stuff that, well, you just can't do when, you're, like alone, you know? But like, just think what a real drag it would be to like, go cruisin and like, be sitting in a car like, totally alone. No, cause, like, if you didn't have friends, who'd you go to detention with, you know? So like, what I'm sayin is that, like, friends are totally cool and I like mine a wicked lot.

After Two . . .

The time: l:54 pm . . . the place: a really dull class. You just can't wait for the bell to ring. Where is that @&**# bell?!? Finally, it rings . . . FREE AT LASTIII For some, the last bell means running off to catch the bus for an afternoon of eating Smartfood and watching soap operas - did Jeremy actually kill Sonia? For others, the bell means running up to detention - am I really late? For still other students, the day begins again at 2:00 with sports, music, play rehearsal, makeup tests, math team meets to go to, or for many, a part time job.

Teacher, Can You Teach Me?

Academics

Wakefield High School has a very large and varied academic curriculum. The selections vary from cooking to computers, honors to general, business to college. Wakefield's English Department is known for its superb teaching of writing skills. Social Studies has courses from Asian Studies to Modern Day Problems. It doesn't matter if a student is looking for a career in business, art, science, or math, our curriculum has the right course to get one started in the right direction. Even though it may not seem so all the time, we students appreciate the dedication and attention given to us by all our teachers!

RED 98, 98 SET GO!

The 1988 Warrior football team finished the Middlesex League season with a 4-4-1 record, 5-4-1 overall. Picked to finish near the bottom of the league, the Warriors opened some eyes by having their best start since 1973 by going 4-0. Led by co-captians Dan Martin and Matt Chase, the warrior's season was highlighted when they beat Woburn for the first time since 1977, 22-0. All league seniors included Paul Funk and Paul Pusatere. Honorable mentions went to Dan Farrell, Dan Martin, and Steve Roberto. The team would like to give a special thanks to our coaches and to our manager, Birkir Karason, (B.K.), for all their help. Tough times don't last, tough people doll

That's Using . . .

The 1988 boy's soccer team finished with a 13-3-3 record and a second place finish in a tough Middlesex League. The team was led by tri-captains Sean Higgins, Howie Melanson, and Pat Manzi. The league All-Stars were Sean Higgins, Pat Scully, and Steve Pastorello, with honorable mentions going to Justin Townsend, Dave Sagarino, and Steve Harrington. The season came to an end as the Warriors lost to Lexington in a shootout in the quarterfinals of the State Tournament.

Your Head!

The 1988 soccer season was the best ever for the Warriorettes. They finished the season with a record of 18-I-I. Martha Whiting led the team with 19 straight shutouts. They beat rival Winchester and went on to become Middlesex League Champs, Coach Noel Higgins, who was honored as Middlesex League Coach of the Year, was at the helm for his last season, making it an especially emotional one for everyone. The members of the team were not only soccer players, but close friends and together they accomplished what no other team had in the past.

Ist Row: K. Serrechia, J. Sommers, K. Regan, M. Whiting, M. Humphreys, J. Gerrior, D. Serrechia, 2nd Row; T. Dolorey, G. Gerrior, K. Woodworth, C. Coleman, M. Callahan, S. Bryan, S. Lucey, 3rd Row; Coach Shankous, K. Simpson, C. Sweeny, J. Majesky, C. Scully, T. Holden, Coach Higgens

STICK TO IT

O.K, so it wasn't the most successful season, but we had fun. The team was led by Coach Crocker and Miss Gene, Captains: Leah and Stephanie, Seniors: Alicia, Heather, Krista, Melissa and Tara and All Stars: Christina, Jen, and Wendy. We always managed to turn every depressing moment into something to laugh about.

Quack.. No babies Roger.. Double Treats.. You big dummy.. BMF.. Buckwheat.. Katie and Courtney.. I only ordered two pizzas.. We don't want to walk home.. Don't worry be happy.. There's gonna be a party tonite.. I hope!!!

The Seniors would like to give special thanks to Earl for driving the nets down when we were too tired, to Miss Gene who could always make us smile, and to Mrs. Crocker for teaching us the true meaning of "heart." Memories of the seasons we've spent working side by side with all of you will remain with us always.

Front: L. Spence, A. Gisetto, K. Coleman, L. McGonnigle, B. Kostopolus, J. Nardone, C. Markley, L. Zanotti, S. MacFarland, J. Pennel, A. Lally, D. Vitokevich, M. Dwyer, L. Alden. 2nd row: K. Keep The Fire

The 1988 Harriers under the leadership of coach John DiCommandrea and Captians Keith Dooley and Peter Santoro ran to a 2-9 record. Standout runners included J. Ward, League All-Star, and S. Dinan, Honorable Mention. More success was achieved that the record shows. Almost all of the runners bettered their times over the course of the season. Although Coach Deke did not always agree with the unorthodox training styles of the runners, he had to agree with the results. All in all it was a positive season that will hopefully help to rebuild the cross county tradition at WHS.

Burning . . .

The 1988 girls cross country team consisted of seven girls. Led by Coach Deke and co-captains L. Scally and D. Smalarz, the team, although small in number, was successful in having a winning season. They finished with a 5-4 record and a 4th place in the league meet. Besides doing well as a team, there were some good individual efforts. There was one All-Star, D. Smalarz with L. Scally and T. Antippas receiving honorable mentions. Although cross country membership has declined over the years, the team is starting to build back its reputation as a winner. The underclassmen members show potential to ensure the future success of the team.

Shake, Rattle, And Roll . . .

'88 STATE CHAMPS!! Another season full of really great memories!!

Who would have ever thought that we would have done so well? We'll never forget: Mr. Plansky leaving (we'll miss youl), Holiday Tourney Champs, "I blame myself", and Heather (GO FYM). Captains Jul and Janel Gerrior and Marybeth Callahan. Thanks Coach Barb for everything!! "This season was B'IN!!"

Front row (I to r): J. Pennell, P. Simpson, J. Gerrior, M. Callahan, J. Gerrior, K. Serrechia. Back Row (I to r): Coach Thomas, M. Halliday, M. Whiting, H. Allen, A. Foss, J. Nardone, A. Geracoulis, Coach Young.

Shoot To Thrill

The 1988-89 boys basketball team got off to a great start this year. Although this year's team included many young and inexperienced players, the Warriors fought hard and battled tough in every game. The team was led by Coach Simpson, Coach Relihan and Captain Sean Higgins, with help from seniors Kevin Malenchini and Ben Rogers (Commonly known as "Benny Wah Wah"). Special thanks go out to Coach Simpson, Coach Relihan and the rest of the staff. The team hopes to continue to strive for excellence next year as well.

Back row (I to r): Coach Simpson, Coach Relihan, B. Hurton, C. Calabrese, A. King, T. MacRobbie, B. Connelly, M. Bouchard, Coach Hoffman, B. Knowlan, P. Gannon. Front: B. Montroni, D. Sweeny, D. Harrington, P. Anastos, B. Rogers, S. Higgins, K. Malenchini, M. Tucker, P. Skully.

Down For The Count . . .

It was great season for the Wrestling Team with a final count of Il-8-I for the season. Led by Coach Brian and Ron Clark and tri-captains J. Arria, M. Kilkelly and D. Valley, the team's seniors and underclassmen worked hard and competed in many difficult matches and tournaments. D. Valley won Ist place for the best record of only two losses, while D. Valley was Ist for points scored. Valley, along with Joe Arria, and Sean Dwyer made it to the states. The team would like to offer thanks to coaches Ron and Brian Clark for all their assistance and support.

Flippin' Out!

The 1988-89 gymnastics team had a really great year. Although there were no seniors on the team, they scored their best season in three years. The team was led by coaches Suzanne Melanson and Maura Cardillo, both former Wakefield High gymnasts, with help from captains Angela Fabbri and Andrea McCarty. The team had lots of fun weighing in, moving the mats and listening to the Madonna tape. (Ha!) All of our 1988-89 gymnasts will be returning next year and are looking forward to some new freshman talent. The 89-90 year is sure to be just as great!

Back row (I to r): Coach Melanson, S. Keon, S. Price, T. Rattigan, Coach Cardillo. Middle row (I to r) D. Smalarz, L. Bishop, S. LeDonne, L. Paone. Front row (I to r) A. McCarty, A. Fabbrí

Any Way You Slice It . . .

Back Row (I to r): Coach Tropeano, C. Pitman, B. Agganis, M. McHugh, J. Whitney. Front (I to r): J. Spizuoco, K. Campanella, J. Healy, P. Miceli, D. Sliney, P.J. Nelson.

The 1988 golf season brought great accomplishment to all the team's members. It marks the second year we have had a winning record, the first being in 1986 with a 4-4-I record. It also marks the first time we've been to the States, thanks to this year's 8-3 record. At number one, K. Campanella faced some stiff competition and came away with many key points. As number two, P. Miceli won ten matches and showed some consistency in his games. At three, J. Whitney was strong all year. At the number four slot, D. Sliney boasted a 9-2 record taking a lot of points which helped the team win. One of the great comforts of this team was that all of the top four players could play number one. In the fifth and sixth slots, J. Healy and B. Agganis took many points which proved to be the decisive factor in many of our matches. P.J. Nelson also showed he could play by winning all of his varsity matches. We would like to thank Mr. Tropeano for all he has done for the team.

Splash!

1988 was the first year Wakefield has had an all girl swim team. Coach O'Knoiewski, known to the team as Coach "O" was dedicated as well as a lot of fun. Couldn't have made it without her laugh. Early morning practices—Oh God it's six a.m.—Can we win one? "No, butterfly does not cause death," contrary to the belief of Amy, Tara, Kate and Debbie. "Swimmers take your mark." No not yet Wendy and Jen—No more false starts! "Finally" we won a meet. We knew we could do it!

back row; C. Connelly, K. Buonopane, E. Tierney, N. Connelly, K. Coughlin, J. Gerry. middle row; J. DelRossi, J. Higgins, L. Cerra, J. Angelo, A. Foss, K. Conners, J. Howe, S. Halliday. front row; K. Logan, D. Halligan, J. Connelly, W. Whitehead, A. Bergholtz, T. Turner.

Life In . . .

The WHS boys indoor track season was one of ups and downs. Although the team suffered from a low enrollment, the trackmen were able to come a way with some impressive achievements. The team was led by tri-captians K. Dooley, S. Dinan and J. Ward. Although the team's record might not have been impressive, some individual performances were. J. LeSaffre, and J. Ward were able to qualify for the state meet with commendable times. Once again the trackmen were able to send a team to the State Relays. An excellent showing was made by the tri-captians and J. LeSaffre in the spring medley.

Back (I to r): M. Richards, S. Zonce, J. Hamlin, E. Anderson, E. Bentley, R. Johnson. Front: J. LeSaffre, K. Dooley, J. Ward, T. Kim, B. Glidden. Missing: Coach Deke and S. Dinan.

The Fast Lane . . .

Back row (I to r): Coach Holmes, C. McMenimen, A. Cranford, L. Magnuson, A. Chekos, T. Fulgham, A. O'Hara, A. Richards. Front: E. Reardon, C. Salemi, L. Scally, P. Martin, P. Sullivan.

Girls indoor track had a great season this year, led by tri-captains Cathy, Lisa, and Tara. Had tons of fun running around a little, thin black line TRACK! Saturdays . . . in rain and snow around the lake. "How many 1/4 do you want me to do in what time?" 10 minute warmup—watch out for basketball players! "Everyone wear your santa shorts." Shuffle jog at maximum speed—"How do I do that?" Who's going to do the relay? I hope it's not me! thanks and recognition to the few who have tried and participated. All the work, cheering, and lecturing is over. I feel good!

Slip Sliding Away . . .

The hockey team had a great season this year. For the first time in three years, the Warriors qualified for the State tournament on the 17th game of the season. Heading the way for the Warriors was Dan Farrell in the nets who helped the team with 29 saves in an upset against the undefeated Stoneham. Senior cocaptains Steve Roberto and P.J. Nelson, along with Howie Melanson provided the scoring punch that has led the Warriors back to the tourney.

There's No Place . . .

"Strike three! You're out!" Led by co-captains Steve Harrington and Mark Paone, the varsity baseball team had a great season in 1988. Performing quite well last season were John Spizzouco, Paul Funk, Steve Roberto, Kevin Campanella, and Scott Rawson. A good time was had by all, both on the field, and off. The team will always remember "Funk's case", Scott pitching batting practice, and most of all, "the Penguin".

Like Home

Wakefield's Varsity Softball Team finished their '88 season with an impressive record of 13-7. Resulting from Coach DeNinno's hard practices, the team made the state tournament and greatly improved over the season. With tri-captian Lynne Roberts as pitcher, tri-captians Aimee O'Neil and Julie Green, and Jul and Janel Gerrior, the team was in good hands. Seniors returning for '89 season are Jul and Janel Gerrior, Leah Zannotti, Christine Sweeny, Sally Ann Maher, and Lisa Caprio.

front row: J. Gerrior, L. Zanotti, J. Green, A. O'Neil, L. Roberts, K. Carter, J. Gerrior. Back row: C. Sweeney, J. Davey, J. Nardone, A. McCall, S. Maher, L. Caprio, Coach DeNino.

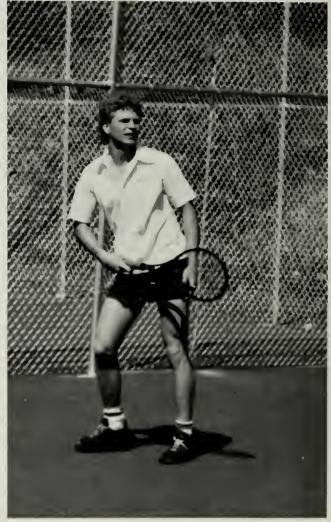

Keeping In The . . .

"Nice serve!" Led by coach Brad Simpson, the Boys' Tennis team smashed their way to 7th place in the '88 season. With co-captains Sean Higgins and Darren Sliney leading the way, the team blasted Woburn 5-0. The boys also managed to slip by Melrose in a one point victory twice this season. The team is looking forward to a great season in '89, highlighting the talents of Ben Rogers and P.J. Nelson among others.

Swing Of Things

The girls' tennis team did quite well in its 1988 season. Some outstanding players are varsity team members Jen Connolly, Amy Bergholz, and Shawna McCarthy. Season highlights included Jennifer Connolly's stunning 6-2, 6-3 victory over Sue McMahon of Reading. Also, let's not forget Holly Zagaria smashing her own nosel Coach Mason thanks that the team "ought to do well next season because of the nice depth at the top of the J-V."

Keep On . . .

Led by quad-captains Joe Calabresi, Marco Ivester, Dan McCauly and Andy Lombara, the 1988 boys spring track team had quite a memorable season. Dan McCauly, Marty Tucker, Pat Skully and Scott Dinan had some great moments, along with great performances by Brett Ressicone and Greg Casa. The team "fondly remembers" Marty's weak stomach, and "Keith's lecture" in Reading.

Front row: A. Salvati, Capt. M. Ivester, Capt. A. Lombara, Capt. D. McCauley, Capt. J. Calabresi, D. Sagarino, J. Encarnacao, P. Indeck, 2nd row: S. Dinan, P. Santoro, B. Cutting, B. Brown, M. Running!

The girls spring track team had lots to cheer about in its' 88 season. Many school records and personal bests were achieved by Karen LaSaffre, Tara Hagget, Stacey Wallace, and Michelle Humphreys. Coaches Martin and Martha Callahan were also quite pleased with the performances of Lisa Scally, Michelle Pastore, Donna Smalarz, Lisa Magnuson, and Pam Martin. Although the '88 season was not as successful as some past seasons, the girls more than made up for it with spirit.

We do, however, dress up in togas, attend Latin conventions, and sell flowers for Valentines day. This year, we also sold candy canes at Christmas time to benefit Globe Santa. (aren't we generous souls, though!)

LITERARY MAGAZINE

The WHS Literary Magazine, Reflections, was restarted last year after several years of dormancy. Guided by faculty advisors Christine Beagan and Cherrie Dubois and a student Editorial Board, the magazine printed one issue in the spring of 1988. This winter, a new editorial board printed a new issue of Reflections; another issue is planned for publishing in spring, 1989.

Cheerleaders Shout It Out

Well another season came to an end. It was fun and alot of work. Although there were a few fights but we all became closer friends. Memories formed this year will remain with us always. Never forget: C2TPS, Debbie's, Leslie's, Ursula's and everyone elses food poisoning, toilet papering, cheering in the rain, "I have never seen your hair like that!" Dina's show at the garden, "Kiss this!" Penny's fall off the pyramid, ordering 10 pizzas and Competition! The graduating seniors would like to thank Mrs. Coughlin and Lauren for all their time and patience. Good luck to the Juniors!

Mark Time, March!

The Wakefield Warrior Marching Band has soared to new heights this past season. This year the band hosted the 8th Annual Mica Festival and received first place in their division. Other credits include a Best Colorguard Award, two silver medals, and second place at the MICA State Finals. The band is an undefeated champion at the EMBA Competition.

In the spring of 1988, the band went to Florida to perform in Disney World. The group partook in the Magical Musical Days Festival along with bands from all around the world.

The band is the most original group of its kind, because it is led mostly by students. Drum Majors Mark Bizarro and Holly Zagaria conduct the brass and percussion while Captain Michelle DiRaffaele leads the colorguard.

Hey, remember all the times when we had to march in the rain? How about calling Rob "Mr. Syncopation"? Hey french horns, MOO! "What, march in a MONSOON!" What about all those fundraisers? Well, maybe you don't remember, but we do!

Thanks Miss Smith, Mr. Perednia, and Mr. Smith for taking us to the top!

A.F.S. (American Field Service) is an international organization that gives students the opportunity to familiarize themselves with other cultures through personal interaction. Members participate in activities ranging from field trips (Hey, guys! Remember Topsfield Fair???) to fundraisers to parties to the infamous "in-the-works" short term exchange.

This year's A.F.S. exchange student is Birkir Karason, (known as "B.K." to the masses). Originally from Iceland, B.K.'s home for this school year is Wakefield,, where he is staying with the Osbornes (as in "Mr.", our beloved principal).

Although she is not an official member of A.F.S., we would also like to welcome Yoko Miyata, who is visiting Wakefield High from Japan.

Yoko Miyata

Before I return to my country of Japan, I want to say thank you to everyone I met at this school. I had such a great time during this school year. It is a great pity that I did not get to talk to all students because there are so many of you in the school. However, it is certain that each one of you gave me good memories which will stay in my mind forever. Truly, I was very happy and lucky to be here in Wakefield and to study as an exchange student at Wakefield High School.

I See London, I See France

The time - April 14 - 22, 1988 . . . The place - Francel Twenty-four French and Latin students boarded the plane for a nine hour flight to Paris. Sightseeing, sightseeing, and more sightseeing; the Eiffel Tower, the Roman Aqueducts, the streets of Paris . . . Going to a lounge (no drinking age?!?) . . . Alix the tour guide (wowl) . . . Leaving Leslie on the train (I knew we forgot something!) . . . Switzerland on the last day . . . What a trip!

Party 'Till You Drop

Ski? Who goes to Killington to ski? Yeah, we know it's called the Junior Ski Trip, but . . . what's in a name? After all, we deserve a little time off in March, right? Sure! The 18th, 19th and 20th sound like a nice little vacation. But the vacation started even before we left for some . . . while we were leaving for others . . . It is safe to say that, although not many of us skied, we all had a blast. Maybe some of us overdid it, but that just added to everyone else's fun, right?

Burn, Baby, Burn . .

The Thanksgiving Day Game—an event that we look forward to every year. The one time of the year that Wakefield High School seems to really get together in true school spirit. Everything began three days before the game with Spirit Week. Hundreds of WHS students donned their poodle skirts and penny loafers for Fifties day, dressed in their best Hawaiian garb for Beach Day, and dressed in red and white to honor Wakefield's school colors on red and white day. The night before the game was the traditional pep rally. We all got together to cheer on our team as we were entertained by the cheerleaders, majorettes and pom pom squad, and wished the football team the best of luck for the next day's game. And, of course, we all huddled around the bon fire, eagerly awaiting a victory for the Warriors.

The next day it seemed as though all of Wakefield was at the game, bundled up in their warmest sweaters, blankets, and thick, fuzzy socks, cheering and screaming themselves hoarse before going home for their yummy turkey dinner.

Although the Warriors did not win this year, the boys played tough and fought hard.

April 27-30, 1988 Wakefield High School

The drama department again produced another great musical. The cast, crew and director worked extremely hard for three months to put it all together. Their efforts were well worth while, for throughout this period of time they bonded together and became like family. They learned how to deal with one another, how to work together as a group, and most importantly, they learned to accept others for what they are. Performed in the upstairs gym, the play ran for four nights. It was a collage of color, music and dance. Everyone on stage entertained the audience with their energy, livliness and talent. The good times that were had and the friendships that were made will never be forgotten . . . Warm-ups . . . "Miles and miles of what?" . . . Jamie and his red . . . wrap dresses . . . "Give me your colored coat, Ronny!"... oranges and watermelons... Achmed the camel... "Who am I? 'Pedifed'?"... "duck, duck, duck, goose!" . . . "Scotty is 'always on" . . . and of course, the cast party!

Very special thanks to Auntie Jo, and especially Mr. C for their patience, toleration, support and for teaching us to "Reach for the stars!"

The Crucible

In September, the drama club began working on it's production of Arthur Miller's "The Crucible". By November, after three months of rehearsals and much hard work, the lecture hall had been transformed into a theater and it was time for the performance. Because of it's emotionally disturbing subject matter, this play is extremely difficult for even professional theater companies to pull off successfully. This didn't stop the cast and crew from showing the audience a realistic, horrifying and believable account of the Salem witch trials. For those involved it was a challenging experience that will be remembered for years to come!

... Vic becomes a dancer ... "How can you THINK you saw them UNLESS you saw them!" ... "I saw Goody Proctor with the devil! I saw Goody Gumdrops with the devil!" ... "I'll beat you Betty!" ... "I freeze! I freeze!"

The Gong Show

"The Gong Show" . . . 3 hours of sound and fury signifying nothing! Shawn McGrail and P.J. Nelson were "M.C."s. Almost every type of entertainment imaginable; live bands, lip synchs, dramatic skits, and other acts that were simply beyond description. Sandy was outstanding in her fine exhibition of musical talent. (Her hat was cute tool) The unknown comic was almost enjoyable until the audience discovered who was under the mask. "Stubby Malone" was definitely not short on laughs. The aerobic girls looked really sexy in their cellulite. The homecoming queen had a squirt gun. Matt decided to run across chairs during a song in an attempt to psyche up the audience. The faculty judges wore funny clothes. The finale was final.
